MEMORANDUM FOR: The United States Foreign Intelligence Community

SUBJECT: Establishment of Resource Management Staff

1. Effective this date the Resource Management Staff is established under the direction of [REDACTED] Deputy to the DCI for Resource Management. The Resource Management Staff, which is composed of those elements of the Intelligence Community Staff concerned with policy and planning, program and budget development and performance evaluation; will assist the DCI in the execution of his authority as outlined in Section 1-602 of Executive Order 12036.

2. A chart showing the organization of the staff is attached for your information.
